

2016 JELLY JAR Sauvignon Blanc Rutherford | Napa Valley

ABOUT JELLY JAR

Jelly Jar was founded in 2005. The wines are hand crafted by Andy Pestoni, a fourth generation Napa Valley native with roots dating back to the late 1890s. Making wine has always been part of his family's heritage and Andy continues the winemaking tradition with Jelly Jar, a wine reminiscent of those early days when times were a bit simpler.
